### QUALITY POLICY

**“There’s precision. And there’s Kristek Precision.”**

Kristek Precision Ltd. provide Precision CNC milling and turning, general engineering and fabrication in metals and plastics for customers across multiple industry sectors.

As an organisation, we are committed to complying with all applicable customer, statutory and regulatory requirements and to continually improve the effectiveness of our Quality Management System.

It is our strategic direction to increase our market share within each industry sector we operate in, whilst continuing to maintain our high product quality and customer satisfaction levels.

The organisation regularly reviews the Quality Management System at which, appropriate measurable quality objectives are established and reviewed.
